7. Tough Darts 02:12
8. My Bonnie Lies Over the Ocean (more or less) 01:09

about

I've been cleaning out the drawers and boxes. These are cuts, maybe not finished, maybe laid down and left to knock around, or fragments culled from the moment and then forgotten. Tapes sitting in cracked cases, tangled, frayed and torn. So I cleaned and spliced, and they kind of make story now that I've stuck them together. It's my story, and I'm sticking to it.

credits

released 21 September 2012
